## MICHAEL WALLACE OLYMPICS!!

Michael Wallace was filled with excitement and school spirit on February 20th as we hosted our very own Olympic celebration! Students took part in a day of fun, teamwork, and friendly competition through our own creative version of Olympic events. Students were placed into multi-age teams, each representing a different country and proudly led by our Grade 6 student leaders. The day began with a fantastic Opening Ceremony, featuring a lively Parade of Nations and the lighting of the Olympic torch. Throughout the day, students rotated through a variety of exciting events including curling, hockey, a torch relay, biathlon, speed skating, and more. The celebration concluded with medal presentations to recognize the great effort and teamwork shown by all participants. It was truly a day to remember, and the students had an absolute blast! A huge thank you goes to Ms. Purdy-West for her outstanding organization, and to all staff members who helped make the day such a tremendous success.
