In Attendance: Stephanie, Adam, Reid, Ally, Brian
Absent: Ross, Tim

AGENDA

1. Intro
2. New SAC committee members -
Call for members went out (post this meeting). Volunteers have responded. Currently we have three candidates. Stephanie believes we need to have equal teacher and parent representation. Need to confirm and this will guide decision. I am stepping down as Chair at end of year and we will need someone to take that role. I have offered to stay on as a past chair without a vote to help new chair. Stephanie and I are discussing between now and end of month and will fill SAC in.
3. News from HRCE - SAC Innovation Fund
Information to this was sent in email. Essentially \$10k in funding is available for chosen schools who apply. Application needs to be in by Apr 18. Teachers are getting a submission together which will be reviewed in the next meeting.
4. Principal's Report
School is doing well in math and english testing but overall trend is that, compared to past, current students across HRCE are not performing as well as in past. Discussion was held about the nature of testing and reasons as to why this may be. SAC will continue to take note of performance and will support staff and admin as much as they can.
5. Review of current SAC budget -
Budget is still the same \$5300 or so that was in at previous meeting.
6. SAC Proposals and Spending

Proposals sent along in previous email. All were approved. Adam believes there are other monies that can be applied to some of the bigger items and will report back at next meeting. Remaining money will be spend by admin on events and guests for students.

7. New Business

Stephanie asked that a Home and School report be added to the minutes moving forward as an ongoing agenda item.

Next Meeting: Proposed for Apr 9, 2024 @ 6:30
