**December:**

- 4 Professional Learning Day – No School (No Pizza This Week)  
*Holiday Concert – (more information to come) Date will be announced shortly.*
- 18 Last Day of Pizza for Session 1
- 21 First Day of Holiday Break

**Remembrance Day:**

There will be no school on Monday, November 13<sup>th</sup> for Remembrance Day. Our students and staff will have a ceremony at school at 11am on Friday, November 10<sup>th</sup> to honour this day. Parents are welcome. Uniforms and poppies can be worn. We will hand out poppy stickers to the kids to wear but feel free to send in a donation for the Legion.

**Dressing for the Weather:**

We had our first snow fall on the first day of November! It was very exciting but so many of us were not dressed for it. 😞

We are asking that all students come everyday with proper footwear (boots are best because our field gets really wet and muddy), warm jackets, hats and gloves/mittens. Shoes like crocs are okay for indoor wear but students need waterproof shoes for outside. If your child likes to play in the snow, they will need to have snowpants on.

**Lost and Found:**

We have almost 2 full tables of clothing that has been picked up around the playground and inside the building. It's been folded and displayed on tables in front of the office. If you are missing something, ask your child to check the tables for it. We will donate the clothing that isn't claimed on the last day before Christmas Break.

### **Parent/Teacher Interviews:**

You can book a 10 minute in person meeting with your child's teacher by going to the link below or by using this QR code:

<https://schoolinterviews.ca/code/3bad6>

The interviews are booking for Thursday, November 23<sup>rd</sup> from 1-3pm and then again from 5-7pm. They can fill up fast so be sure to book soon.

### **Report Cards:**

We will be emailing term 1 report cards on November 21<sup>st</sup>. If you have any problems opening it or receiving it, please contact the office. (susan.stevens@hrce.ca)

### **Cutlery and Water Bottles**

Make sure you are packing cutlery if your child needs it for their lunch. It's getting harder and harder to find plastic spoons and forks to have on hand. Also, we are giving out lots of cups everyday for students to drink water. They should always have a water bottle at school.

### **Parents/Guardians in the building during drop off and pick up: Important\*\*\***

Due to our fire safety protocols we are required to know everyone that is inside the school at all times. We have sign in procedures to ensure we have accurate information. We do ask that parents do not enter the building when dropping off your children to school. All visitors to the school MUST check in to the office as soon as they enter the building. If a student is required to be escorted to their classroom, a staff member will do this. Thank you for your understanding.

### **Don't Forget to Order Your School Pictures!**

School pictures have been ready to be purchased online. Please see the link on the front page of our website or go to <https://www.nssp.ca/>
