

January, 2024

Important Dates:

January:

- 8 – Last night to order pizza
- 15 – First pizza Monday
- 25 – FULL MOON 😊

Music Teacher

We are pleased to let you know that we have secured a Music Teacher for the remainder of the year. Her name is Katharine McDow, and she will be starting at our school this week.

Pizza Mondays

We are taking online orders for 6 inch individual pizzas that will be delivered to the school for your child's lunch. The pizzas will be cheese or pepperoni/cheese and will be sold for \$3.25 per individually boxed pizza. 7 pizzas will cost **\$22.75**. Please go online and choose between CHEESE or CHEESE AND PEPPERONI.

We are asking parents to sign up for School Cash Online and make their order and payment that way. We will not be accepting any cash or cheques. **Please place your orders before Tuesday, January 9th. We will be pulling the data on this date and placing our orders. Pizza Monday will start on January 15th.** This will be every Monday until March Break excluding Monday, February 19th (Heritage Day).

Dressing for the Weather

As the temperatures start to drop over the next few months, please make sure your children come to school with warm jackets, boots, mittens and hats. It doesn't hurt to pack a pair of dry socks in their bag as well.

Home and School

Home & School would like to thank everyone who sent in donations for the Gift Mart and for those who volunteered their time. We had such a great day, as we do every year, and hope everyone loved the gifts from the special kiddos in their lives! We sure did love seeing how much pride and joy they took into making their selections. Home & School is looking forward to putting together another event in the next couple of months, before getting to work on our biggest event of the year, the Spring Fair!
